About University

In 2008, KRG Ministry of Higher Education and Scientific Research approved the establishment of Tishk International University in Erbil. The aim was to provide education to everybody regardless of belief, ethnicity, social status or political ideas. Tishk International Schools gained a good reputation in Kurdistan Region and Iraq. Based on Dr. Yusuf Goran's request, the Minister of Higher Education and Scientific Research, a new branch of Tishk International University was decided to be opened in Sulaimani.

In 2014, Tishk International University Sulaimani branch was opened and started education with preparatory classes.

A. Social and Science Activities

At TIUS, blending social and scientific activities encourages collaboration, fostering comprehensive development and interdisciplinary understanding within our academic community."

"The Dean of Students supervises a range of social activities, facilitating the establishment of various clubs, each with its unique set of activities. The following outlines the club lists and social activities organized under the purview of the Dean of Students."

B. Career Center

The Career Center serves as a guiding source, offering personalized advice, skill development, and valuable connections to empower students for successful career paths.

The career center's proposed events and activities scheduled to be conducted:

1. Career Fair Day exhibition
2. Career development seminars and trainings
3. CDC's Summer internship for students
4. Collaboration with local & international foundations for partnership projects

C. Alumni Engagement Coordination

In the realm of Alumni Engagement Coordination, our dedicated efforts ensure meaningful connections between graduates and the university community, fostering a strong network that benefits both current students and alumni alike. Through strategic initiatives and events, we cultivate a sense of pride, loyalty, and ongoing involvement among our esteemed alumni, creating a lasting bond with the university.
